Designed for the Logistics Industry

HUBTEK

## Why Hubtek is the right partner for you

**+100**

Active customers  
work with us

**+350**

Employees placed

We are focused on the  
Transportation Industry

## How can we support your growth?

### 1. ProfitQuest Platform

ProfitQuest was created by Logistics Industry veterans with over 40 years of experience, and was designed to accelerate your growth, profitability, and company development. ProfitQuest provides:

Coaching

Training

Strategic  
Planning

Industry  
Networking

All in one platform!

### 2. TABi Connect: Intelligent Process Automation

Did you know that for a Freight Quoting process, on average you can achieve:

**+75%**

Reduction of the time  
you spend quoting

**45**

Seconds or less to  
provide a freight quote

**100%**

Accuracy on quoting  
freight

**How?** Through TABi, your **Freight Automation Hub** and **Digital Assistant**. TABi will keep your team more organized, timely, and accurate so that your business can grow. Some processes we can optimize for you:

Carrier Sourcing

TMS Order Entry

Freight Quoting
