WORK EXPERIENCES

PRODUCT DESIGNER

XPLORABOX

JUNE 2019 - JULY 2019

Noida sector 10, Uttar Pradesh

This is a firm creating innovative fun learning boxes for children with different age categories, I learned about cost cutting and marketing strategies applied. I created a series of products for kids aged from 2 to 12 which are successfully used and are out in the market.

DESIGN INTERN

MONI GEMS AND CRAFTS Pvt. Ltd

MAY 2017 - AUG 2019

JOHARI BAZAAR, Jaipur RAJASTHAN

This firm deals in export and import of semi-precious and precious gem stones and then manufacturing the rough gems into a fully-fledged gem stone. I learned about different tools and equipment's and how to use them, also about different categories in gem stone and how they are distinguished on the basis of rough that has been extracted through mining.
