

ekho**hub**

A home for true
independent music

ekho**hub**

Who are We?

EkhoHub empowers true independent artists while helping them build a global fan base without the control of major record labels. We provide an environment for the artist to have true independence to better connect with a larger audience while generating more revenue.

The only global platform that organically connect the artist to new and existing fans. EkhoHub is exclusively a one stop shop for the true independent artist.

ekhoHub

EkhoHub Distribution And Partners

Smart TV Distribution

A TV is purchased and used for about an average of 10 years. Smart TVs are following that same trend across time.

Empowerment

Benefits of empowering the artist and fans:

Music

Viewers can play music from individual artists.

Video

Viewers can watch videos for free.

Revenue

Artists will get to keep more of their revenue from album and single sales.

Exposure

ekhub will help the artist get maximum exposure that would place them in global distribution.

The Fans

With ekhub, independent artists will grow and connect with their audience.
