

SANITIZING GEL

STELLCHEM SANITIZING GEL

THIN CONSISTENCY

MEDIUM CONSISTENCY

Stellchem, the Huether Hotel and Lion Brewery have partnered together to manufacture sanitizing gel. The product is available in 2 versions. The THIN version has a consistency that is sprayable and a MEDIUM version that is a thicker consistency suitable for pump action. The products are made with premium Canadian or US sourced pharmaceutical ingredients that have been approved by Health Canada for medical use **containing 77% Ethanol**.

- Products are made with premium Canadian or US sourced pharmaceutical ingredients that have been approved by Health Canada for medical use containing 77% Ethanol.
- Products are registered with Health Canada NPN 80098886 or NPN 80098504.
- All product is manufactured in Ontario at Covid-19 Licenced locations.
- 4L jugs are manufactured with a tamper proof cap and heat seal foiled topper.
- 4L Jugs are packed 4 per case.
