

A Place Beyond

Packing List

Shipping and Mail

You can ship your belongings to our Bradshaw Mountain Campus

YOUR NAME

A Place Beyond

933 E Friendly Pines Rd

Prescott, AZ 86303

You can receive mail at this address throughout your semester.

Things you should bring:

- Bedding and Bath
 - sheets (all halls have extra-long twin mattresses)
 - comforter, blankets, and pillows
 - towels (bath, hand, washcloth)
 - shower caddy
 - flip-flops/shower shoes and robe
- Laundry
 - laundry basket or hamper
 - laundry detergent

- Personal Supplies
 - toiletries
 - tissues
 - first aid kit (bandages, aspirin or non-prescription pain reliever, cold or allergy medicine)
 - thermometer
 - supply of face coverings for use in our initial distancing and facemask period and for use in town or outside of our bubble.
- Study Supplies
 - computer
 - headphones
 - power strips: power strips and plug multipliers must have a built-in circuit breaker to be permitted and safe.
 - Ethernet cable for wired network
 - thumb drive/external hard drive
 - desk organizers
 - paper/pens/pencils, notebooks
 - Sticky notes
 - planner or calendar
- Optional

 - harness and helmet (we also provide this)

- climbing shoes (we also rent these)
- mountain bike
- road bike (we also rent these)
- Sleeping bag
- 45L Backpack

What clothes should I bring?

Bring clothes that you like to live, work, study, and play in. The temperature in Prescott has highs from 82° F in September to 52° F in December, and lows from 53° F to 24° F.

Some clothing and materials well-suited for outdoor recreation:

- rain jacket
- pants, tops, base layers made of a material other than cotton (polyester, wool, bamboo, etc.)
- a warm, synthetic, insulated jacket
- hiking pants
- fleece pants
- wool socks
- bike shorts

Things we'll provide:

- equipment for APB-led activities
 - climbing gear - excluding climbing shoes
 - mountain or road bikes
 - whitewater gear
 - And more!
- stickers, water bottles, and t-shirts

Things we'll rent for use outside of APB-led activities:

- mountain or road Bikes
- climbing shoes

We'll provide more information and pricing on these options soon!

Appliance Policy

APB does allow some appliances in cabins. It is an expectation that all appliances are undamaged and have no alterations. Misuse of appliances may result in loss of privileges and conduct action.

If the use of your item poses a health or safety concern, causes a disruption to the community, or causes property damage or property loss, you may be subject to disciplinary action and associated costs or sanctions, regardless of whether the item is approved.

Participants may not cook food in their room. Heating water is allowed provided the fire detection system is not activated. All electric kettles must be UL-listed, have a three-prong cord, have an automatic shut-off and a built in thermal safety fuse.

Bradshaw Mountain a small common kitchen for participants and staff, multiple full-size refrigerators located throughout campus for participant food storage, and occasional pre-determined commercial kitchen use/access coordinated between the food service staff, instructors, and participants. The dining hall also has microwaves, toasters, and snacks for student use.

Small refrigerators are allowed in rooms, as long as they meet the following criteria: Energy Star rated, draw 11 amps or less, and are 3.2 cubic feet or less.

If participants want their own refrigerator, we require a maximum of only one refrigerator per room, due to load limitations on our buildings' electrical system. Coordinate with your roommate to determine who will bring shared items/appliances.

Fans are allowed.

Televisions: Allowed as long as they are not wall-mounted. Cabins do not have cable TV connections.

Lighting: Lamps with halogen bulbs are not allowed; incandescent, LED and fluorescent OK). Decorative LED lights are allowed as long as they do not violate manufacturer guidelines.

Clothes irons: must be UL-listed, have a double-insulated three-prong cord, and have an automatic shut-off.

Hair straighteners, curling irons: must be UL listed, have a double-insulated, three-prong cord, and have an automatic shut-off.

What to Leave Behind | Prohibited items

Please exercise good judgement when deciding to bring items to the residence halls. All items need to meet the following criteria to be permitted within the residence halls

- All items should be in good working order. Any damaged or altered items are prohibited.
- All appliances should be UL listed and have an automatic shutoff.
- No exposed heat source.
- No open flame (this includes candles).
- Any appliance that produces steam, smoke, or grease laden vapors is prohibited. Electric kettles used to boil water are the only exceptions to this.
- Any device with light bulbs that generate excessive heat is prohibited (including halogen bulbs and/or incandescent bulbs that exceed 60 watts).
- Any device that would exceed the electrical load is prohibited.
- Devices must not interfere with APB's wireless or network infrastructure.
- Items with adhesive that sticks to wall surfaces, such as command strips, command hooks, removable wallpaper, or thumbtacks, small hooks, and finishing nails. These items frequently cause wall damage when removed.

The following items are never approved in the cabins

- Air conditioners
- barbecues and grills

- electric fryers, electric grills and sandwich makers/presses
- electric woks,
- extension cords without built-in fuse protection
- fog, smoke, and haze machines
- gasoline, electric, or hybrid powered scooters
- hookahs, hookah smoking accessories, e-cigarettes and vaporizers
- hot plates
- Microwaves
- Toasters
- portable space heaters
- wireless network routers and wireless access points.

Our centrally-located dining hall has shared microwaves and toasters available for use. We'll also have a hot water/coffee station.

If you have a special need for an exception, please email help@aplacebeyond.com.
