

# LEVEL UP

5 Ways to Take Your Faith to the Next Level

## Part 1: Activate Your Faith

---

### INTRODUCTION

The two times recorded in Scripture where Jesus was amazed was when there was great faith and a great lack of faith. What is faith exactly and how can we level up our faith so that it doesn't atrophy?

---

### LET'S TALK ABOUT IT

---

1. Have you ever put your faith in a particular outcome? What was the result of that experience?
2. What does it look like in your life to actively follow Jesus? Where is it the hardest to follow Him?
3. Have you experienced faith atrophy in your life? What contributed to that?
4. What is your relationship with discipline?
5. Do you have regular time with God? How has that impacted your faith?

### THIS WEEK

---

To transform a discipline into a habit, it takes 21 days. Buck challenged us to begin to make time with God a daily habit. For the next 21 days, make a commitment to spend daily time with God, to follow Jesus and watch what happens, and see your faith begin to go to the next level.

"But whenever you **pray**, go into your innermost chamber and **be alone with Father** God, praying to him in secret. And your Father, who **sees** all you do, will **reward** you openly."

Matthew 6:6-7
