TraceSafe Invites You To Investor Webinar

February 1, 2021: Vancouver, BC – Tracesafe Inc., (“TraceSafe”) (CSE: TSF) a global leader in wearable safety tech, including contact tracing and quarantine management, is pleased to invite you to join President & CEO Wayne Lloyd for an Investor Webinar on Wednesday February 10th at 11:00am.

Join Wayne for a corporate update on recent developments at TraceSafe, with a particular emphasis on the company’s expanding customer base and exciting new product functionalities. The presentation will be followed by a live Q&A session where attendees will be able to ask any questions they may have. Registration is open to everyone via the following URL: <https://www.eventbrite.ca/e/tracesafe-global-leader-in-wearable-tech-tickets-137317928621>

TraceSafe is a Canadian wearables technology firm with a fast growing client base across industries like Construction, Enterprise, Venues, and Quarantine Management. In this webinar, Wayne will explain the Blue Sky potential and outlook for 2021 that TraceSafe investors can eagerly look forward to.

This Webinar will be hosted on BigMarker. Once you have registered for the event, you will receive an additional email stating how to access the event on February 10th at 11am et. Please use the calendar function to save the date.

About TraceSafe

TraceSafe is a full suite of real-time location management services and contact tracing solutions enabled through advanced low power bluetooth beacons and enterprise cloud management. TraceSafe’s leading cloud management solution ensures both user privacy and comprehensive administrative control. TraceSafe’s patented contact tracing bracelet has already been deployed in mission critical quarantine applications around the world in partnership with leading governments. In addition to their government work, TraceSafe is developing leading edge solutions for Enterprise, Healthcare, Education, Government and large-scale venue management.
