Local Incident Management Plan

Information About What to do During a Fire

What to Expect in a Fire

Do not drive in smoke

- Limited visibility/multiple fires
- Limited or restricted access into and/or out of Lake Tyers area
- Loss of power and telephone
- DO NOT rely on the electricity supply for firefighting purposes
- Remember, cordless phones rely on power which may be unavailable

Get Ready Now

- Know your family situation and develop a personal/family incident survival plan and rehearse your plan
- Pack an 'Emergency Kit' including items from "What to Take"
- Prepare your house to give it the best chance of surviving an incident
- Make sure your vehicle has fuel

When to Go

Leave Early

- On extreme fire days plan to leave early in the morning to a safe place and only return if it is safe to do so
- When you hear that an incident is impacting or will impact on the Lake Tyers Area
- When advised by Trust staff CFA, DELWP, SES, Victoria Police, or local radio
- When leaving your home, close all windows and doors, close curtains, drapes, blinds, turn off, gas, and appliances
