Sequence & Process

Bathroom

- Start here! Pick up all towels and put in the laundry, remove any garbage or litter.
- Use a dry PerfectCLEAN 12" Orange Flat Mop on bathroom floor to remove any hair and dust.
- Start by misting disinfectant on the entire bathroom.
 - Tip: start high, and move to low.*
 - The shower/tub including the shower head, door handle, drain, soap dish, and towel holders
 - Toilet base, seat, flusher, tank and inside of the toilet
 - Faucets in the sink and the shower
 - Doorknobs and light switches
 - Hair dryer
 - Shampoo and soap bottles
- Now stop! Let the disinfectant sit, don't wipe anything down. Move on to clean the living space.

Living Room

- Do the things that stir up dust first: Open curtains/blinds, clean up litter and take out any trash, and polish mirrors and windows using a dry PerfectCLEAN 12 x 12 Grey Wiper and glass cleaner.
- Starting at the door, walk the room in a circle using a dry PerfectCLEAN Blue Fringed Flexible Duster to dust. Dust decorations, furniture, lamps, television screen, and window sills.

Living Room cont.

- Lightly mist the PerfectCLEAN Blue Fringed Flexible Duster to clean air vents and returns.
- Using the 2-fold method, mist the PerfectCLEAN 12 x 12 Grey Wiper lightly with a cleaner or disinfectant to spot clean walls (if necessary), baseboards, mirrors, artwork (glass only), windows and all flat surfaces. Wipe all windowsills and ac vents last.
Tip: use the 2 fold method- fold wiper in half then fold in half again. Results in 8 clean hand sized wipes.
- Vacuum soft furniture using your vacuum's upholstery attachment to get up crumbs and other things that accumulate under seating cushions. Next, vacuum the back, sides, and front of your sofa and chairs.
- Vacuum rugs.
- Vacuum floor.
- Use the PerfectCLEAN Gray Flat Mop to clean the living room floors.
- Mist the PerfectCLEAN 12 x 12 Grey Wiper lightly with a cleaner or disinfectant and wipe down these frequently touched but often forgotten items:
 - Light and lamp switches
 - TV remote
 - All door knobs and cabinet handles
 - Security chain/latch or lock
 - Curtain or blinds pull cords
 - Arms of chairs
 - Desk tops
 - Thermostat or AC control panel
 - Toys or games
- Check the operational status of the TV, TV remote, speakers, and any other electronics. Make note of any damage.
- Return any left out or removed items to where they belong, throw away any trash you gathered, place used wipers in the laundry.

Bedroom

- Do the things that stir up dust first: Open curtains/blinds, clean up litter and take out any trash, and polish mirrors and windows using a dry PerfectCLEAN 12 x 12 Grey Wiper and glass cleaner.
- Check the sheets and pillowcases for stains and spills. Check sheets carefully to make sure there are no wet spots.
- If you suspect urine or other bodily fluids, get a plastic bag. Carefully fold sheets and mattress protector (PCiPAD) so as not to make contact with fluids, Place in plastic bag.
- If there are no wet spots, remove sheets. Carefully fold corners to middle, Ball up and remove, avoiding contact with your clothing, and put in laundry bag.
- Check mattress for any stains or odors.
- Mist the PerfectCLEAN 12 x 12 Blue Wiper lightly with a cleaner or disinfectant and wipe down these frequently touched but often forgotten items:
 - Bookcase/books
 - Dresses handles or knobs
 - Closet and door knobs
 - Window sills and handles
 - Alarm clock
