The Brooklyn United Music and Arts Program (BU) is a community-based organization that serves New York City youth. As an art form, marching band combines the elements of musicianship and pageantry and allows each student to participate in an all-encompassing and life-changing activity. Brooklyn United is focused on the development of youth through Academic Support, Character Development, Skills Building and Performance Opportunities. It is through these pillars that we strive to build strong, well rounded, healthy, confident and capable young people.

MISSION

Our mission is to provide inner-city youth aged 5-21 with positive marching band experience while promoting the four pillars of academic support, character development, skills building, and performance opportunities.

VISION STATEMENT

Our vision is to build outstanding citizens and prepare them to be tomorrow's leaders while affording exceptional opportunities to learn and create lifelong memories.
