

Clinical Support Specialist ResMed Team

As the successful candidate you will benefit from exposure to leading medical solutions, personal development, training support and potential career progression opportunities within the company.

The Role

As a member of our ResMed PEI Team working in the area of Sleep Disordered Breathing and Bilevel Ventilation you will work closely with our business partner to provide support and education to the end user, namely the patient. Our ResMed business has an all-Ireland focus but your key areas of focus will be primarily Dublin with a level of flexibility to cover parts of Leinster. Delivery of this care will be through designated clinics, hospitals and patient's homes. The role centers around achieving and maintaining patient compliance on their prescribed Resmed device. Management of these patients is across digital platforms including telemonitoring.

The Company

Named a "Great Place to Work" for 2021, PEI is a leading medical and surgical sales, marketing and distribution company. PEI's product portfolio includes major brands from world class manufacturers such as DePuy Synthes, Medtronic, Ansell and ResMed. This is an exciting opportunity to work for a company whose focus is in developing its people and ensuring they are equipped to provide service solutions to its customers.

The Person

You are someone who has an ability to get things done. You have excellent communication, organisational and problem-solving skills. You are self-motivated and constantly seeking smarter ways of working. With excellent influencing skills, you have an ability to foster relationships at all levels. You are pragmatic in your approach to how you challenge whilst ensuring compliance and best practice at all times.

ResMed PEI is committed to delivering a first-class service. All its clinical support specialists are equipped to give expert advice in a Resmed PEI clinic, in a hospital setting or in the patient's home. The focus on Customer Obsession together with detailed product expertise ensures our unrivalled customer care and excellent on-going product support, which have become synonymous with the Resmed PEI brand. PEI entered the Sleep and Respiratory Medicine market in 2005 when it joined forces with ResMed one of the world's major players in the industry and together the two companies bring a wealth of knowledge and experience to the sector.
