

Thursday 7th January 2021

Phonics

Remember to choose either must, should or could.

Must:

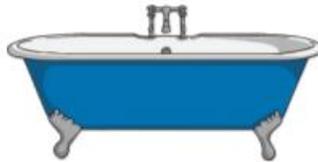

Watch the following video explaining the digraph 'th.'

<https://www.youtube.com/watch?v=EsVPECQJ838>

Join in with the video to practise how to pronounce the sound correctly and how to sound out and blend words that have this sound in them.

Complete the following activity:

Read these words: **cloth**, **bath**, **three** and **path**. Can you now match the word to the correct picture? Write the word under the picture.

Should:

Watch the following video explaining the digraph 'ee.'

<https://www.youtube.com/watch?v=kbs06xAu18Y>

Join in with the video to practise how to pronounce the sound correctly and how to sound out and blend words that have this sound in them.

Now complete the following 'ee' activity:

'ee' Spelling Activity

1. Trace over 'ee'.

ee ee ee ee ee ee ee
ee ee ee ee ee ee ee

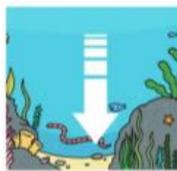

2. Just add 'ee'.

d _ _ p k _ _ p w _ _ k f _ _ t
gr _ _ n m _ _ t t _ _ th

3. Write the correct 'ee' words under the pictures.

Diary	
Monday	Thursday
Tuesday	Friday
Wednesday	Saturday
	Sunday

Could:

Watch the following video showing words with the 'oi' sound.

<https://www.youtube.com/watch?v=nOxt38JfB-Q>

Join in with the video to practise how to pronounce the sound correctly and how to sound out and blend words that have this sound in them.

Then read the 'real' and 'alien' words below. Can you write interesting sentences with some of the 'real' words?

woimp

joint

froiss

soil

soick

poison

broik

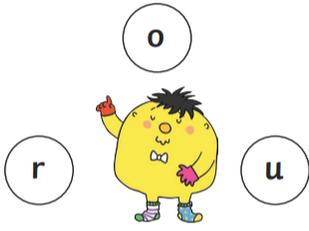

moist

English

SPAG (starter task to complete before doing the main task below):

Complete the following activities...

a Which year 1 common exception word has Mr Whoops been juggling with?

A cartoon character named Mr Whoops, a yellow blob with a bow tie and a small tuft of hair, is juggling three balls. The balls contain the letters 'o', 'r', and 'u'.

c Tick the correct sentence.

put a pin on the map?

Put a pin on the map.

e Circle the words you think should have a capital letter.

jack she scott

d Write these two sentences again, but as one sentence, joining them with 'and'.

I will go to the park. Kath will go too.

A simple line drawing of a swing set with two swings hanging from a horizontal bar supported by two legs.

f Tick **one** word that can have '-ing' added to the end to make a new word.

cat

fun

sing

b Practise writing these spellings.

will _____

that _____

this _____

Challenge – Can you add in some adjectives and/or adverbs to the sentence you have written in section d?

Main task (Please complete either must, should or could):

Remember to look here on Seesaw to access the list of Literacy videos (on adjectives, conjunctions, alliteration, similes, adverbs and speech marks) and the adjective/conjunction word mats.

Watch and listen to our story 'Man on the Moon' using the following link - <https://www.youtube.com/watch?v=Rt5zQ1UO6rE>

Today you are going to describe the aliens. Look closely at the different aliens in the story. You could also look at the images below and other images of aliens online. Describe your chosen alien/s using as much description as you can. Describe all their features as well as their size, shape and colours. Can you also describe their personality?

Must

To describe your chosen alien/s using as much detail as possible.

Challenge- can you use the conjunction 'and'?

The alien is _____.

It is _____.

The alien has _____.

It has _____ and _____.

Should

To describe your chosen alien/s using as much detail as possible. To include a variety of adjectives and some conjunctions such as 'and.' You could try to include the conjunction 'because' if you fancy an extra challenge.

The alien is _____ and _____.

It is _____ and _____.

The alien has _____ and _____.

It has _____ because _____.

Could

To describe your chosen alien/s using as much detail as possible. To include a variety of adventurous adjectives and conjunctions. Can you include a simile? Can you think of an adverb to describe how the alien/s move?

The alien is _____ and _____.

It is also _____, _____ and _____.

The alien has _____, _____ and _____.

It also has _____ because _____.

The alien moves _____ so _____.

It is _____ but _____.

The alien is as _____ as _____.

If you find these activities tricky try the following task...

Look at the pictures of the aliens above and talk about what you can see.

What colours are they?

How many eyes do they have?

What are they wearing?

What might they do now?

Then try reading and then writing these CVC words...

red hat man

Can you write them in the air? Can you write them in a tray filled with shaving foam or soapy water? Can you write them with a pencil/coloured pencil/chalk/felt tip pen/paint?

Maths Task

Starter:

Complete the statements.

___ ice creams

___ ice creams

___ ice creams

The smallest amount of ice creams is _____

The greatest amount of ice creams is _____

(Please complete either must, should or could):

Must	Should	Could
<p><u>To make number bonds to 9.</u></p> <ol style="list-style-type: none">1. Draw 2 circles on an A4 piece of paper.2. Get 9 of the same object.3. Make some number cards (1 number per small piece of paper)4. Choose a number card (3)5. What is the other number?6. How many ways can you make 9? <p>TIP: Don't forget to swap the numbers around don't forget your zero.</p>	<p><u>Missing box sums to 10.</u></p> <p>Using your tens frame can you solve the following:</p> <ol style="list-style-type: none">1. $7 + \square = 10$2. $4 + \square = 10$3. $9 + \square = 10$4. $2 + \square = 10$5. $6 + \square = 10$6. $1 + \square = 10$7. $3 + \square = 10$8. $5 + \square = 10$ <p>Can you write these number sentences both ways?</p>	<p><u>Missing box sums to 20.</u></p> <p>Using your tens frame can you solve the following:</p> <ol style="list-style-type: none">1. $11 + \square = 20$2. $16 + \square = 20$3. $12 + \square = 20$4. $18 + \square = 20$5. $13 + \square = 20$6. $7 + \square = 20$7. $9 + \square = 20$8. $5 + \square = 20$ <p>Can you write these number sentences both ways and find the inverse?</p>

If this is a bit tricky why not try...

Using 5 or 10 different toys or objects (dolls, fruit, cars, pasta), how many ways can you split them into two groups?

E.g.

3 in one group and 2 in the other group

$$3 + 2 = 5$$

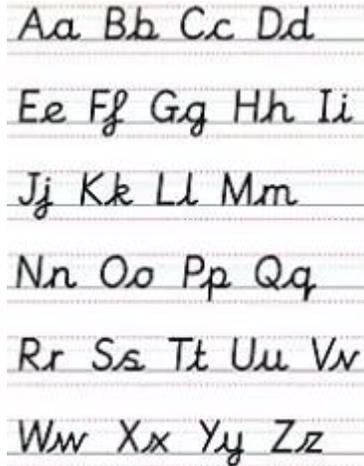

Write all your number sentences in your home learning book or on a whiteboard if it is easier to record.

Mathletics

Have a go at some of the activities on Mathletics. If you do not have your log in details, please email the office. Enjoy!

Handwriting

Remember to use the tripod grip. Start with your pencil on the line with a 'here we go' and finish with a 'flick'.

The following video link will help 'Cursive writing: How to write the alphabet'. Remember that practice makes perfect.

<https://www.youtube.com/watch?v=2NQ6uS8blwY>

Using the cursive script, write the common exception word below.

he

Ext: Can you write an interesting sentence to include this word and also remember to use your adjectives.

Integrated Studies

WRITING OUR NEW YEAR RESOLUTIONS

Song: [Happy New Year Song Kids \(2021\) - YouTube](#)

Story: [Squirrel's New Year's Resolution - YouTube](#)

At this time of the year lots of people make New Year Resolutions which are wishes for what you would like to do or change in the coming year or promises to yourself about what you would like to do.

Do you remember what Elmo said in the video
<https://www.youtube.com/watch?v=OdsGz6zsAKc>

Today we are going to think about our wishes for 2021. What would you like to do this year?

What Are New Year's Resolutions?

People promise to get better at things and some people make a list of their resolutions.

They might be things like:

- I will try to do my best at school.
- I will eat more vegetables and fewer sweets.
- I will do some more exercise.
- I will try to keep my bedroom tidy.
- I will stop biting my fingernails.
- I will be kinder to my brother/sister.

Is there anything you would like to do better this year?

Could you be more helpful in any way?

Is there anything that you may like to give up?

Have you made any New Year's Resolutions?

Can you think of your own New Year's resolution?

Talk about the questions and ideas on the picture above.
What would your answers be for the questions?
Do you have any other ideas for your New Year's Wishes?

Now make a foldable book or a pocket for your lapbook called "My New Year Wishes"

Next cut out some star shaped paper that fits into the pocket and write a New Year Wish on each star. You can decorate your stars too if you wish.

Use the chart below to help you – which sentence starters will you use?

Must	Should	Could
My New Year's Wishes This year: I wish _____. I wish _____.	My New Year's Wishes This year: I wish _____. I wish to/for _____ because _____.	My New Year's Wishes This year: I wish to/for _____ because _____. I wish to/for _____ because _____.

Extension:-

Can you add adjectives to your wishes, such as

I wish to be **brave** and learn how to ice skate because it will be **fun** and **graceful**.

I wish to get better at maths even though it is **hard/difficult**.

I wish to eat more **delicious** and **fresh** vegetable because I want to be **healthier**.

Don't forget your

capital letters **A**, finger spaces

Full stops

Plenary

Share your New Year Wishes with your family. Did they make any resolutions or wishes? Could they add them to the lapbook?

NOW pick your favourite wish ready for tomorrow's activity? How will you remember your wish throughout the year?
