

# Year 2 Newsletter 7.05.21

Despite the dreary wet weather we have had this week, the children have all had a really great week. We built our own models of the school where we added improvements, we learnt about fables and the moral of the story and began to learn how to divide numbers too!

Danegrove value of the month: Appreciation

**50 book award:**

**Antoni – 2JS**

**Well Done Certificates:**

**2EM: Ibrahim, Alex**

**2RR: Artin, Isla**

**2JS: Ibrahim, Emma**

## **Sports Clubs**

If your child attends an after school sports club, please provide a separate kit for this (if possible) as often the children forget their kits for PE after a club has taken place. Kits for sports clubs do not need to be 'a PE kit'.

## Focus words

Each week we will now have a set of 'focus words' that the children will be introduced to and taught throughout the week in school. It is really important that this continues at home to build and enrich the children's vocabulary and understanding. A definition of these can be found on this weeks homework.

This week's words are: divide, fable, evaluation

## Reading Records

Reading records will continue to be updated on Seesaw and looked at weekly by the teachers to ensure that the children receive their certificates for reading 25 books and 50 books.

## Reading books

Unless books are brought in, or remembered we are unable to change or replace your reading book. This means they may not be changed until the following week. Please ensure that you bring this in each day so we can change all of your books.

## Dates for the Diary
