

# Homework 25<sup>th</sup> June 2021

Homework should be completed and uploaded to SeeSaw before the following Wednesday each week.

## Maths:

This week we would like you to practise using your ruler, this is an important skill to learn both for measuring and for underlining, drawing grids and graphs too.

Using a ruler, can you draw a picture using only straight lines? It could be modern art, you can colour it too!

### English:

Can you design and label our very own 'Wild Thing'? Think carefully about their features and what they look like. Some examples: their teeth, hands, nose, eyes, height...

Must: 4 labels.

Should: 8 labels and 2 sentences using an expanded noun phrase.

Could: 10 labels and 4 sentences using an expanded noun phrase?

### Integrated studies:

Can you design your very own beach? What facilities would you have there? How would you keep it clean and tidy?

You can draw and label your beach, then write a short paragraph outlining what facilities you would have.

Facilities could include: toilets, changing rooms, cafes, ice cream shops.

## Spellings:

Please remember we have a spelling test each Friday so it is really important for you to practise these words every day.

<u>SET 1</u>	<u>SET 2</u>
Warm	went
Towards	we
Television	be
Treasure	have
Usual	some
Enjoyment	so
Sadness	not

## Focus words

Each week we will now have a set of 'focus words' that the children will be introduced to and taught throughout the week in school. It is really important that this continues at home to build and enrich the children's vocabulary and understanding.

Please practise these daily, their spelling and their definitions. Can you write them in a sentence, audio record yourself saying a sentence with them in?

Headline - a heading at the top of an article or page in a newspaper or magazine.	Analogue - The time shown on a clock face.	Digital- The time show using numbers only.
