

Datakeeper 2.0

Work-In Case Protection, All Day Comfort

The Datakeeper 2.0 provides everything you need in a compact case for your laptop or Chromebook. Fulltime protection and an integrated pocket for accessories, keeps everything together, protected, and easily accessible. Reinforced with shock absorbing foam and secure corner straps, the Datakeeper 2.0 cradles your laptop, keeping it safe from damage. The design of this case, while thin and lightweight, offers powerful defense against any life event that kids might throw at your devices.
