

# J.W. MORRIS

## CABERNET SAUVIGNON

### American

*May the wind always  
be at your back!*

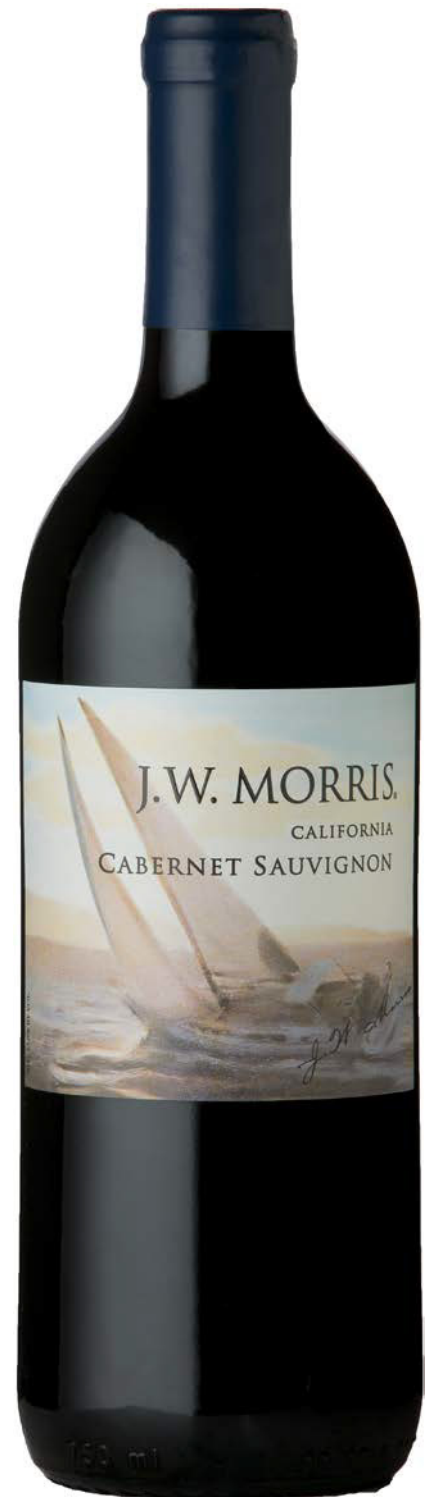

#### TASTING NOTES:

The J.W. Morris Cabernet Sauvignon offers intense dark fruit flavors, complimented with notes of butterscotch, vanilla, and mocha. Layered with complexity, and combined with a great tannin backbone this “weighty” Cab always delivers.

#### SUGGESTED FOOD PAIRINGS:

This is a great wine for an evening on the patio. Try it with your favorite steak, and grilled vegetables.
