

POWDER KEG®

Petite Sirah

2016

CALIFORNIA

VINEYARD NOTES:

The continuation of the drought in California in 2016 stunted crop yields, but allowed the smaller crop to achieve elevated and exciting fruit profiles.

WINEMAKER NOTES:

The deep ruby color foretells the rich fruit experience to follow. Loaded with bramble berries and black cherry, the flavors end on a spicy note with vanilla and white pepper. The silky tannins round out the experience, adding a lengthy finish.

FOOD PAIRING SUGGESTIONS:

Grilled ribeye steak, braised short ribs, barbequed chicken covered with a tangy barbeque sauce.
