### GRAVEL BAR

**RESERVE CABERNET SAUVIGNON, CABERNET SAUVIGNON, CHARDONNAY, & ALLUVIAL RED BLEND**  
RED MOUNTAIN, COLUMBIA VALLEY, WASHINGTON STATE

For more than twenty centuries, torrential floodwaters from melting ice-age glaciers sculpted Washington's Columbia Valley, leaving in their wake deep deposits of sandy, rocky, alluvial soils. Today, framing the Columbia River, broad plains of ancient sediment constitute one of the world's finest wine grape growing regions. There is no mystery to the magic of Columbia Valley and its wines.

### BRADY

**CABERNET SAUVIGNON, CABERNET FRANC, MERLOT, CHARDONNAY, PETITE SIRAH, & ZINFANDEL**  
PASO ROBLES, CALIFORNIA

The Brady family vineyard is the family's dream. Nestled in the Estrella Valley just far enough inland from the Pacific Ocean to build heat daily but still close enough to enjoy the nightly cooling of maritime breezes. Established in 2001, the 24 acre site is ideally situated for world-class viticulture with vines rooted in the meager gravelly soils that form a rolling alluvial terrace overlooking the Estrella River.
