

HOOKS BĀY

Marlborough, New Zealand

Sauvignon Blanc 2022

The maritime climate in Marlborough moderates temperatures and provides a long, cool growing season. This unique combination of soil and climate, along with an extended growing season helps to concentrate and develop wonderful flavors in our Hooks Bāy wines.

Full of bright tropical and citrus notes, this wine is refreshing and inviting. Zesty and fresh, it is wonderfully balanced and lingers on the palate.

Pairing Suggestions:

Wonderful as an aperitif but has broad appeal and will enhance seafood, chicken, and tomato based pasta dishes.
