Brunvoll Volda AS // Volda, Norway // T: +47 7005 9000 // E: volda@brunvoll.no // W: brunvoll.no

Owner	Bakkafrost, Faroe Islands	
Shipyard	Sefine Shipyard, Turkey	
Hull Number	46	
Year Built	2022	
IMO Number	TBC	
Ship Design	Knud E. Hansen, Denmark	
Class	DNV *1A BIS Clean (Design)	
Engine	Electric Motor	
Type Indar	Power:	2 x 2000 kW RPM 135
Install Number(s)	2417-24	
OD & Thrustbox	TH750 thrustbox / OF280-OD-box	
Propeller system	ECP85-4F, 4000 mm diameter	
Nozzle	Brunvoll 19A-nozzle	
Remote Control(s)	BruCon Propulsion and Thruster Control System	
Thruster(s)	Brunvoll Tunnel Thrusters	
Type	Position	Power
FU-74-LTC-2000	Bow	995 kW
FU-74-LTC-2000	Bow	995 kW
FU-74-LTC-2000	Stern	995 kW
FU-74-LTC-2000	Stern	995 kW

Diesel Electric Propulsion

A single screw diesel electric propulsion plant in a CP-propeller configuration, with four tunnel thrusters for excellent operation and manoeuvring capabilities of the vessel.

The propellers are powered by two electric motors. The profit of this configuration is sourced from high efficiency, reduced noise, flexibility and redundancy.
