BIG MEDIUM PRESENTS

AUSTIN STUDIO TOUR

CITYWIDE 3 WEEKENDS NOV 6 - 21

OVERVIEW

Now in its 20th iteration, the Austin Studio Tour has become an Austin tradition and continues Big Medium's mission of fostering connections between artists while presenting the public with a rare opportunity to engage and connect with many of the creatives that help define the culture of our city.

With the safety of our artists and audience at the forefront, the Austin Studio Tour presents creative ways to safely experience art through virtual programs, in-person studio visits by appointment, and self-guided visits to public art. The expanded online platform includes artist profiles, Group Exhibition, virtual studio visits, demonstrations, and artist talks, Themed Tours, and an event guide.

Now more than ever, it is essential that we celebrate and advocate for our local artists. We hope the public will use the map, website, and art book as resources to connect with artists, purchase new works and commissions, and proudly invest in the creative economy of Austin.

ABOUT THE PRODUCERS

The Austin Studio Tour is a program of Big Medium, a nonprofit organization dedicated to supporting artists and building community through the arts in Austin and across Texas. We provide opportunities for artists to create, exhibit, and discuss their work and connect to an engaged and diverse audience. We strive to make art a part of everyday life.
