

Committee Member Application

Committee Involvement

MEA is proud to have oversight and participation from our members. Committee involvement is a way that our membership can be involved with our Annual Meeting and election process.

“Providing our members a transparent view into their electric cooperative is important to us. Member-led committees are a critical part of our locally-owned cooperative and a great way to give back to your community,”
Tony Izzo, MEA General Manager.

Other than recognition and personal satisfaction, there is no payment for serving on these committees. However, MEA provides all materials and refreshments at meetings.
