- We highly encourage you to set your Zoom account name to be either your name or your child's name to match the name listed on your registration. This is for safety and it expedites the check-in process.
- We also recommend that families sign up for a free Zoom account, as this can make the process easier.
- If you are using a tablet or phone you will need to use the Zoom Meeting ID and password in your confirmation email.

Check-In Process

We bring in campers on a rolling basis, so don't worry if you are waiting a little bit, we'll get your kiddo into camp as quickly as possible.

A Glimpse into the First Day of Camp

Welcome to the first day of your Camp EDMO Online! Campers will be invited into their online classroom on Monday with a warm welcome and opening activity. Campers will spend some time getting to know each other and their camp leader while playing a few games. Health & Safety

Unexpected Emergencies

Should a situation arise at camp where we need to get a hold of you, Camp EDMO will send you a text or call.

Behavior Issues

We'll work with you to develop an Action Plan if your child is having a hard time adjusting to camp. Unfortunately, if they repeatedly detract from the camp experience of kids and staff or compromise the safety of others, we may ask an accessible adult to sit with your child or to log them out of zoom.
