I'm Free

Don't grieve for me, for now I'm free.
I'm following the path God laid for me.
I took His hand when I heard him call.
I turned my back and left it all.

I could not stay another day
to laugh, to love, to work, or play.
Tasks undone must stay that way.
I found that peace at the close of day.

If my parting has left a void
then fill it with remembered joy,
A friendship shared, a laugh, a kiss.
ah, yes, these things I too will miss.

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I've savored much,
good friends, good times,
a loved one's touch.

Perhaps my time seemed all too brief,
don't lengthen it now with undue grief.
Lift up your hearts and share with me
God wanted me now:

SERENITY PRAYER

*God grant me the Serenity
to accept the things
I cannot change...
Courage to change the things I can
and Wisdom to know the
difference.*
