THE LIGHT THAT LINGERS

The light that lingers...
trace their shadows
upon the earth.

Worship your own freedom
and stumble against
no chains of man.

For long were the days
of pain I have spent
in its walls.

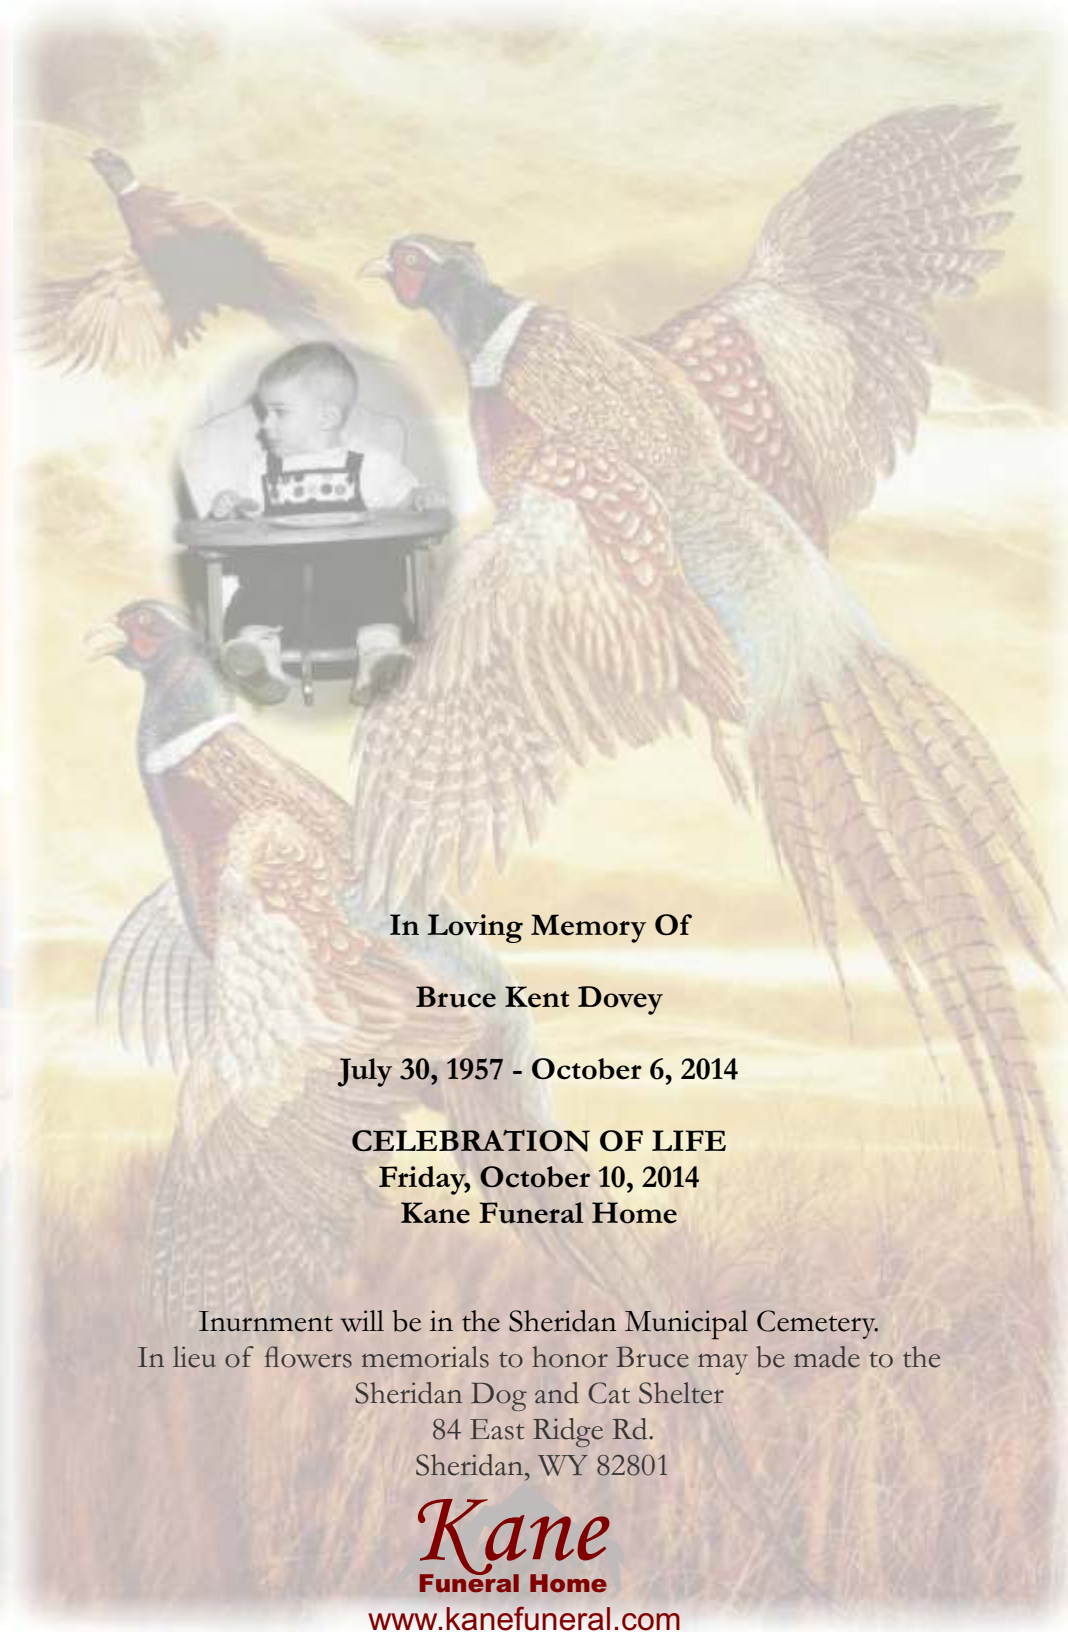

In a prison of my own making.

What treasures I have
found in silence, dreaming
in the stillness of the night.

Yet in the solitude of my soul
I cannot appease my hunger
nor quench my thirst for truth.

So if it comforts them to regret,
let them be comforted,
in the light that lingers...
