Arrival *Departure*
March 27, 1928-January 21, 2016

I hope there is a place
Way up there in the sky
Where flyer's can go when they pass on
A place where no doctor's
That you have to see would be caught
A place that is safe and protected
By the men and women he would know
Because I have loved in my life
I shall have no sorrow to fly
Into the big blue sky
By myself once again
I have sent up my pain on wings
to be lost in the blue sky
To I shall give a share of my soul
To the world where my spirit will fly
As one looks on
Faces through a window
Through life I have looked on God
I might of been old
But yet at heart
I was still a kid
My name is Dee J Sadler
My body might be here
But what I did and who
I was will last life times

In Loving Memory of
Dee Jay Sadler
