

Marty Meece

Martin "Marty" Meece, 60, of Sheridan, WY. passed away on Friday, January 29, 2016, at his residence.

Marty was born on September 15, 1955, to Virgil and LaWanda (Buck) Meece in Denver, CO. He married Darlene Marie Frank on August 8, 1985. He worked as a Locomotive Engineer for BNSF for 39 years and recently retired in October. Marty was a member of the United Transportation Union.

Marty loved to make people laugh, never short on jokes, told the best of stories (never knew what was true), and made watching the Cornhuskers a spectacle as he yelled at the TV. He truly was a "Simple Man" that required nothing fancy, come as you are, and a guy that stops to help fix a tire or pull you out of a ditch. He may have never finished that Camaro we all knew about but maybe that was never his intention. He was in his element in the garage, Bob Segar blaring, tools galore, a coffee cup and a cigarette.

Marty was preceded in death by his parents, his brother Steve Meece and his sister-in-law Brenda Lee Meece. He is survived by his wife Darlene Meece of Sheridan, WY, children; Sabrina Zowada of Austin, TX, Rick (Megan) Frank of Stuttgart, Germany, Charlene Meece of Sheridan, WY, Samantha Meece of Columbia City, OR, Ashley Meece of Billings, MT, Colten Meece of Sheridan, WY. Also, his siblings; Gary (Mary) Meece of Sheridan, WY, Dave Meece of Gillette, WY, sister-in-law Brenda Gail Meece of Sheridan, WY, six grandchildren; Natti, Gabbi, Henley, Zachary, Elise, and Treven. Along with numerous nieces and nephews, aunts, uncles, cousins and in-laws.

My dad unexpectedly passed away yesterday and I ask that you pray for our family. Death leaves a heartache nobody can heal, but makes us remember the impact that person had on our lives. Dad, husband, brother, uncle, cousin, friend, or coworker he impacted many. He loved to make people laugh, never short on jokes, told the best of stories (never knew what was true), and made watching the Cornhuskers a spectacle as he yelled at the TV (yes this is where I acquired TV coach). He truly was a "Simple Man" that required nothing fancy, come as you are, and guy that stops to help fix a tire or pull you out of a ditch. He may have never finished that Camaro we all new about but maybe that was never his intention. He was in his element in the garage, Bob Segar blaring, tools galore, a coffee cup and a cigarette. The same Simple Man taught me more about life than any class room as we watched nightly news, read the newspaper, and then debated. Our time with him was cut too short and has left me heartbroken. Had big Plans this summer for Europe, him seeing grand kids, and he recently retired. Beyond thankful for what he brought to our lives and may he rest in peace.

Never got to say good bye but glad I told him, "Love You"

~ Your Son Rick Frank

*Rest in peace Martin Lee Meece, I'll never forget you dad.
You made me the person I am today and
I'll keep making you proud, I promise.*

~Your Son Colten

*If you were half as smart as you think you are,
you'd be twice as smart as you really are.*
