J'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took His hand when I heard him call
I turned my back and left it all.

I could not stay another day

To laugh, to love, to work, to play.

Tasks left undone must stay that way

I found that peace at the close of day.

If my parting has left a void Then fill it with remembered joy. A friendship shared, a laugh, a kiss Oh yes, these things I too will miss.
