## SUCCESS

He has achieved success  
who has lived well,  
laughed often, and loved much;  
who has enjoyed the trust of  
pure women,  
the respect of intelligent men and  
the love of little children;  
who has filled his niche and accomplished his task;  
who has left the world better than he found it  
whether by an improved poppy,  
a perfect poem or a rescued soul;  
who has never lacked appreciation of Earth's beauty  
or failed to express it;  
who has always looked for the best in others and  
given them the best he had;  
whose life was an inspiration;  
whose memory a benediction.
