# The Plan Of The Master Weaver

Our lives are but fine weavings, that God and we prepare,  
each life becomes a fabric planned, and fashioned in his care . . .

We may not always see, just how the weavings intertwine,  
but we must trust the Master's hand, and follow His design.

For He can view the pattern, upon the upper side,  
while we must look from underneath, and trust in Him to guide.

Sometimes a strand of sorrow, is added to His plan,  
and though it's difficult for us, we still must understand.
