

A beautiful soul was taken and made an angel on Tuesday, October 30, 2018, at Children's Hospital in Denver, Colorado.

Afton Irene Roush, 16, was taken from us too soon, but will live on as an organ donor to other terminally ill children.

She was smart, funny and a determined young woman who wouldn't let anything stand in her way. She will truly be missed. She loved her music especially her favorite Boy Band One Direction. In 2013, Afton was chosen to be a member of the Kidd's Kids yearly trip to Disney World with her family and other sick children. That trip was one of the highlights of her life and she talked about it often.

Afton was born April 9, 2002, in Salt Lake City, Utah to Jeff and Holly (Bell) Roush and was a miracle baby from the start, born with occipital encephalocele. She was tough, beating the odds when she was born, proving numerous doctors wrong. She got to live a loved life being able to do so many things. She brought sunshine to everyone who knew her.

She attended Highland Park Elementary School in Sheridan, Prairie Wind Elementary and Sage Valley Junior High in Gillette, and she couldn't wait to be a Gillette Thunder Basin High School Bolt this year as a sophomore.

She is survived by her parents and step-mother, Gretchen (Pfenning) Roush; brothers Adrian and Jackson; grandparents, Brent and Cheryl Nelson, Don and Jackie Roush of Sheridan and Hank and Bea Pfenning of Gillette; great grandparents, Mary Jean Roush and Ed Stafford of Sheridan, Florence Bell of Casper and Alice Jean Pfenning of Woodland Hills, California; and numerous aunts, uncles, and cousins.

FLY

*Fly, fly little wing, Fly beyond imagining
The softest cloud, the whitest dove
Upon the wind of heaven's love
Past the planets and the stars
Leave this earthly world of ours
Escape the sorrow and the pain, And fly again*

*Fly, fly precious one, Your eternal journey has but begun
Take your gentle happiness, Far too beautiful for this
Cross over to the other shore, There is peace forevermore
But hold this memory bittersweet, Until we meet*

*Fly, fly do not fear
Don't waste a breath, don't shed a tear
Your heart is pure, your soul is free
Be on your way, don't wait for me
Above the universe you'll climb, On beyond the hands of time
The moon will rise the sun will set, But we will not forget*

*Fly, fly little wing, Fly where only angels sing
Fly away, the time is right
Go now, find the light*
