

*In Loving Memory Of*

# *Allen Williams*

Allen Williams left us on April 15th, 2019, he was only 16 years old. He was the child of Brett and Leona Williams and was born at the Sheridan Memorial hospital on July 11, 2002. Allen was a great kid who loved everyone that he knew. He was one of kind, with a spark in his eye and a wily smile. We all thought that he was happy and would be with us forever..... We still can't believe that he's gone. We'll all be missing you.....

Allen was happiest when he was working on engines with his dad. He was naturally mechanically inclined and always eager to jump in with his friends when they were working on their cars. He also loved riding his motorcycle and camping.
