In Loving Memory Of Verla Marjorie Donahue

**In God's infinite wisdom
He saw a great light
An audience of givers
Dressed in pearls of moonlight.**

**They're Angels of Mercy
God's great helping hands
They reach out to touch you
As God surely commands.**

**Their hard work un-noticed
'tis sad, but it's true
when I see this it's heartfelt
within me I'm blue.**

**I know that their efforts
Are pure and sincere
I've known them quite closely
To me, they are dear**

**They're angels of mercy
Sent down from above
From the throne room of glory
They emanate love**

**God's message is clear
From his heart to my pen
There is no other service
That bares forth such an end**

**These angels are special
Hitherward to extend
For the people of earth
To recover and mend**

**A voice has arisen
Of ashes and dust
To bring honor and merit
To express, it's a must**

**In God's infinite wisdom
His love was made real
And he clothed it as NURSES**

For Humanity To Feel.
