

Together Again...

Connie Kay Hutton passed away October 8, 2021 surrounded by her family. She was the loving wife to Jay Hutton and mother to Van, Cecelia and Patrick. Connie was born on January 26, 1945 in Bloomfield, Nebraska to Lyona and Wallace Bertschinger. While attending nursing school in Alliance, Nebraska, she met the love of her life, Jay Hutton. They soon married and started their family. Jay's work with the Burlington Northern Railroad brought them to Wyoming in 1970. After the children were raised, she was employed at the Wyoming Girl's School as a dorm supervisor. She enjoyed mentoring and pouring her love and energy into the students.

Connie valued her family above all else. Her husband, children and grandchildren meant the world to her. Her activities were always centered and focused on her family. She attended dance and piano recitals, track and swim meets, soccer, wrestling, hockey, basketball and football games, FFA, rodeos and school events. Connie enjoyed working outside and found joy making her yard and gardens beautiful.

She was a mom to everyone that would let her be, including friends and teammates of her children and grandchildren, as well as girls that she mentored while she was a dorm supervisor.

Connie was an avid animal lover including the livestock that became pets, the numerous wild birds and squirrels that she fed and many cold-noses and wagging tails that were apart of the family. Her newest addition was Molly, the donkey.

Connie is preceded by her husband Jay, sister Altalane Mayes, brother Jim Bertschinger and her parents. Connie is survived by her three children, Van (Peggy) Hutton, Cecelia Hutton-Edens, Patrick Hutton; her grandchildren, Jake, Erin and Paige Hutton, Jess (Eryn) Edens; and her brother Alton (Barbara) Bertschinger. Connie has rejoined those loved ones that preceded her and is now dancing in joy with the Lord.

Celebrating The Life Of Connie Hutton

*Sit with me in the gloaming of the day, and think of what's to come.
While giving thanks for all that is and has been,
know that you too are one of God's miracles.
And that He is awaiting you when you're done.*

Van Hutton

"To Those I Love"

If I should ever leave you, whom I love
 To go along the Silent Way, grieve not,
 Nor speak of me with tears, but laugh and talk
 Of me as if I were beside you there.
 And when you hear a song or see a bird I loved,
 please do not let the thought of me be sad...
 For I am loving you just as I always have...
 You were so good to me!
 There are so many things I wanted still
 To do - so many things to say to you...
 Remember that I did not fear...
 It was Just leaving you that was so hard to face...
 We cannot see Beyond... But this I know:
 I Loved you so - 'twas heaven here with you!
