Kimberly Renee Lobach, 58 of Sheridan, Passed away on Wednesday, September 7, 2022 in the Big Horn Mountains with her family by her side.

Kimberly was born July 25<sup>th</sup>, 1964 in Ft. Campbell Kentucky to Hector and Donna Guerra. While attending Austin P College she met Roger, an A1C in the air forces, and fell in love. They would get married on June 6<sup>th</sup>, 1983 in Clarksville, TN. Kimberly graduated with her cosmetology license and then later obtained her Licensed Practical Nursing degree. Roger got stationed in South Dakota at the Ellsworth Air force base which is where they adopted Jonathon and Andrew. Not too long to follow Roger would get orders, stationing them in Idaho. Kim gave birth to their son, Matthew in Mountain Home Idaho. A couple years later, they would get a call asking if they would adopt Corey, a sibling of Jonathon and Andrew, and they took him in as well with open arms. While Roger was deployed Kim would work 30-40 hours a week in Boise, ID as an LPN and which was a two hour round trip each day. Along with working she raised four boys who were busy in school and sports while also raising and caring for two dogs a cat and 8 horses as well. She did this all with a loving heart and a devotion to family with a smile so bright and warm. The family would settle in Parkman, Wyoming with their dogs, cats and horses. Kim faithfully worked for the VA as a LPN for just short of 30 years and retired in May of 2022. Coworkers stated recognition for the positive relationships she has with patients treating them with respect and being a good listener. Kim enjoyed spending time with her family, crocheting, and camping in the mountains. Roger once wrote a letter when deployed directed to Kim for Mother's day "No one should be expected to take on such a challenge. She has the thanks, admiration and respect of this loving husband. I could not do what I do for my nation without the support and love of my wife, Kim"

Kim was preceded in death by her mother Donna, father Hector and father in law Edwin. She is survived by her husband Roger, her children: Jonathon (Jade) Lobach Gillette, WY, Andrew (Katie) Lobach, Sioux Falls, SD, Matthew (Cyla) Lobach, Sheridan, WY, Corey Lobach, Sheridan, WY, Grandchildren: Spencer, Freya, Ryker, Kallan, sisters: Libby Guerra Campbell, Maria (Chris) Guerra, brother Hector (Sara) Guerra, mother in law Jean Lobach, brother in law Edwin (Beth) Lobach, sister in law Debbie (David) and numerous nieces and nephews.
