

Uniti Nova

Our Most Powerful Music Streaming Player

Product EANs: 5060332107216 (UK) - 5060332107209 (EU)

For the ultimate in room-filling power, no other music-streaming player can beat the Uniti Nova, which steals some tricks from high-end Naim Audio products. It takes every feature the Uniti Atom offers and supersedes the performance factor, plus adds extra connectivity.

Key Features

The ultimate sound quality possible from an all-in-one

Powerful performance - ideal for larger rooms

Stream all your favourite radio stations and music from Spotify, Apple Music, Tidal and Qobuz

Transform your TV sound – simply connect via HDMI

Easy playback from all your devices via Apple AirPlay 2, Chromecast built-in and top-quality Bluetooth

Superlative build quality and beautiful design; made in the UK and built to last

Works seamlessly with a range of other Naim streaming products, including Mu-so systems. Choose the same song in beat-perfect sync or play different music in different rooms.

Voice control via Google Assistant and Apple Siri
