

## EXPRESSION OF INTEREST

### Call for investment-ready projects

We are inviting Expressions of Interest (EOI) from interested organizations, individuals, and landowners who wish to sell their commercial properties, explore land development opportunities, or seek joint venture partnerships with foreign and/or local investors across all industries.

Completed EOI submissions will be assessed by Investment Fiji for investment readiness, and shortlisted projects may be promoted at investment promotion events in 2023 that Investment Fiji will host or attend.

These events present a unique opportunity, whereby local investment-ready projects will be promoted to key businesses, investors, and associated organizations in global markets.

Interested applicants are encouraged to send in their interests via the following link: [bit.ly/3WZX4nu](https://bit.ly/3WZX4nu)
