ABOUT THE SHOW

Inspired by Elvis Presley and his draft notice into the army, this energetic musical is a loving send up to the 50s. Featuring colorful travel sequences against a heightened realism design language, our Scenic Projections give this classic musical a contemporary edge.

Make your stage come alive.

Making the switch from costly traditional scenery in your next production is worry-free – and guaranteed to save you money.

Animated digital scenery is changing the way we make theatre. Designed to reduce blackouts, save stage space, and money – there's never been a better time to take advantage of the amazing technical developments in projection.

Broadway Media's Scenic Projections stand above the competition in quality and ease of use. Our digital theatrical backdrop packages for popular plays and musicals are true to the script and pre-cued in our intuitive projection software so you can simply plug in and perform.

Directors and educators are choosing Broadway Media's Scenic Projections for their theatrical digital scenery to spend less time and money on building sets (or hanging those dusty old backdrops), and more time on what matters: creating amazing theatre.

What you get with Scenic Projections

PRE-PRODUCTION MATERIALS

Download and begin working with watermarked materials available in advance of your performance dates to provide ample time for coordination and rehearsal.

CINEMATIC MOVEMENT

Special effects like changes in light, weather, ambiance and amazing scene changes make for an engaging, interactive production that requires no blackouts!

INTUITIVE SOFTWARE

StagePlayer, an intuitive, cross-platform Mac, PC and iPad app, that includes easy edit and customization tools, play/pause, live edit and immediate blackout.

TOOLS FOR SUCCESS

Take advantage of script-accurate cue sheets, projector and screen rentals, and training videos to get you setup and running quickly for a reliable production.
