

## AN ARRAY OF ACTIVITIES AWAITS YOU AT CONRAD BORA BORA NUI

Discover our tropical paradise...a naturally self-distancing resort across 20 acres. Although Bora Bora is in lockdown for the next two weeks, our resort team has curated especially for you some fun pastimes to experience in addition to our current activities.

### RESIDENT MARINE BIOLOGIST

Learn from our resident marine biologist in collaboration with the world-renowned Manta Trust non profit organization with our bi-weekly conferences about the fascinating manta rays creatures.

Join us for a snorkeling tour around bio-rocks structures and learn more about the coral reefs and its inhabitants.

### SWING SUITE

#### our newest golf simulator

Hoping to work on your swing this trip? As the only resort in French Polynesia to offer this, we are excited to welcome the arrival on our new golf simulator. Coming this Friday, August 27<sup>th</sup>, enjoy a touch screen experience in paradise to master your swing while exploring other activities for the whole family such as baseball, bowling, football and much more.

### CULTURAL ACTIVITIES

Experience the authentic Polynesian lifestyle and learn how to open a coconut, how to wear a pareo, and how to play the traditional ukulele as well as how to speak Tahitian. Discover the polynesian handcrafts with coconut leaf braiding and create a flower lei making. Cruise around the lagoon with a va'a initiation (traditional outrigger canoe).

## ROMANTIC EXPERIENCES

They are countless ways to celebrate your romance. Discover memorable and unique experiences curated for you to surprise and delight your loved ones such as a romantic star gazing, a romantic dinner with sumptuous view of Mt Otemanu, sunset champagne in your favorite spot of the resort and much more.

Please contact our concierge to get further information.

## HINA SPA
