

THE POLICE CRIME & VICTIMS' COMMISSIONER FOR DURHAM

DECISION RECORD FORM

REQUEST:

Title: To contribute £15,000 towards the Darlington Partnership

Summary:

Darlington Partnership brings together all those who are committed to achieving the best for Darlington and its people.

Membership of the Darlington Partnership includes the Council, NHS, Police, Fire and Rescue Service, business leaders, community and voluntary sector representatives and people from the wider community. This host of organisations have come together to encourage Darlington residents to make a difference in their community.

The Partnership has two purposes:

- to agree what are the major issues and opportunities for Darlington
- to ensure action is being taken to address them

The Partnership is the principal body responsible for ensuring that the community strategy, One Darlington: Perfectly Placed is delivered.

The Partnership also takes direct immediate action through its 'action priorities' to respond to emerging critical issues.

These are a few key areas driven by the Darlington Partnership:

- 'Foundation for Jobs' - increasing vocational opportunities for young people
- 'Good Friends' - improving support to elderly and vulnerable people in the community
- Darlington Cares – coordinating businesses' corporate social responsibility and employee volunteering around community needs
- Mental health – in responding to concerns about growing mental health issues with a focus on mental health in the workplace. 'One Darlington: Perfectly Placed' is the overall vision for Darlington's future agreed by the Partnership members. It steers and co-ordinates their work towards shared goals and priorities, whilst leaving the development of detailed actions to their various plans and strategies.

Most recently following a discussion at the Board regarding Community Safety, the Partnership is initiating action to raise awareness of Domestic Violence.

The PCVC is requested to contribute £15,000 towards Darlington Partnerships to help deliver this service.
