

**Durham Police and Crime Commissioner Decision  
2015**

<b>Subject:</b>	Provision of a Firearms Access Control, Asset Management and Training Management Information System
<b>Executive Summary</b>	Cleveland and Durham have a joint specialist Operations Unit which operates across both forces and much of the provision of specialist uniform support comes from within that joint unit. The intention is to purchase a single system off the shelf which will control access to armouries and equipment, track and manage the jointly held assets and collate the training and management information around these specialisms jointly

**DECISION**

Risks and Implications identified and considered in making this decision:

Finance ✓	Staffing	Equality and Diversity ✓
Accommodation	Crime and Disorder	Children's Act 2004
Stakeholder/ Community Engagement	Environment	Collaboration and Partnerships ✓
Value for Money and Productivity	Potential Impact on Police and Crime Plan Priorities	
Commissioning	Other risks	

**Ron Hogg, Durham Police and Crime Commissioner**

I have noted the Procurement process used to appoint a contract for the provision of Firearms Access Control, Asset Management and Training Management Information System accept the process as the best value solution.

Signed:
