Three years ago, the Caltech Alumni Association Board embarked on a multi-year process to enhance the alumni experience toward a best-in-class alumni association that is more professionally managed with improved governance. First step in process was to eliminate the dues paying structure as the CAA Board wanted to be more inclusive in an attempt to engage a broader group of Alumni. The Board is continuing its process by review of the current bylaws which were drafted 50 years ago. Becoming
a world class organization of 25,000 alumni is not a luxury it is imperative – we have to change.

Mission – To ensure the success and well-being of every member of the Caltech alumni community
Vision – Everyone a global citizen and champion of education, science and technology
Values – Purpose, Social, Financial, Community, Physical Well-Being

Introduction of current Board of Directors and the CAA staff who support the CAA and Ralph.

**CEO Report:** Ralph Amos, President and CEO

It is an honor to serve in this role for Caltech and our 25,000 alumni. Ralph reviewed Living Alumni by Decade, Alumni by Division and Degree, and Alumni by Gender and Ethnicity.

Strategic Direction – we need to engage alumni, deliver the Caltech Alumni Brand, build community and strategic partnerships, effectively recruit, retain, and help people to advance mission, position as the industry leader in engagement and leverage financial resources to invest in CAA’s/AR’s operational growth.

What has come from the last 15 months?
Revised Techet magazine, Oral History Project, Alumni networks, Volunteer Leadership, and Contemporary Alumni Engagement (BAC, LAC, Int’l Women’s council, Asian Alumni Council, Int’l network in Asia and Europe), and new website and online community.

**Finance Committee:** Jeanne Hartshorn, Treasurer

FY20 – 20% less than FY19
Programmatic expenses – Due to the impact of COVID-19, 33% less then FY19, the reduction in expenditures due to delivering alumni programming through online mechanisms rather than person
FY21 – CAA has approved a budget to include a $600K increase to expand the operational scope against the new mission, critical and strategic initiatives. With the current trend, we will likely not utilize the approved funding due to staffing resources and operational restrictions associated with COVID-19.

Audit committee – Fall 2020 Finance Committee established the organizations first independent audit committee.

**Leadership and Development:** Keith Karasek, Vice President

CAA Honorary Member Award will be announced at the next meeting.
Other awards we want to highlight and available on website:
Distinguished Alumni Award
Milton and Rosalind Chang Career Exploration Prize

We want to actively solicit interested alumni over the next few months.

**Governance and Nominations:** Christie Canaria, Secretary

Christie reported the work of the Governance and Nominations Committee. Governance Committee is focused on the Board, strategic recruitment, effective engagement across Board of Directors and intentional revitalization of the Board itself. Nominations Committee was charged to evaluate candidates that will fill Executive Officer seats. A slate of nominees was published in the Spring.

**Slate of Nominations:**
Officers:
Satoshi Ohtake, President
Keith Karasek, Vice President
Christie Canaria, Secretary
Jennifer Lee, Treasurer

**Director Nominees:**
Frederic Caldwell, Miral E-Kim, Jessica Mao, Gerard O’Reilly, Elizabeth Stameshkkin

**5 Additional Petitions for Nominees:**

The receipt of petitions opens up an election to Director seats. The logistics that we require to send out materials such as ballots and instructions will require additional times and resources. We anticipate another 45 days will provide the time to complete our process.
