## **Site Instructions & Rules**

- Site hours are: 07:00-16:00
- Upon entering the trading estate, the barriers will open automatically – CCTV will record your entry and exit
- There is a 10mph speed limit in operation and we request you follow this at all times
- Delivery drivers need to report to the GSS site office before entering the compound
- You will be advised by a GSS employee on PPE requirements – a Hi-Viz vest and site boots are required as a minimum
- Private vehicles must reverse park in the office compound and are not permitted to drive into the compound.
