Board of Directors
Get Lit - Words Ignite, Inc.
Los Angeles, California

We have audited the accompanying financial statements of Get Lit - Words Ignite, Inc., a nonprofit organization, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

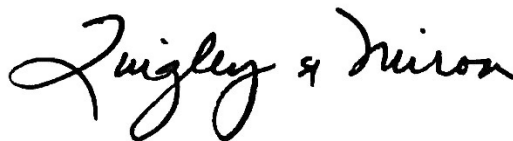

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Get Lit - Words Ignite, Inc. as of June 30, 2019, and the changes in its net assets and cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Note 1—Organization and Summary of Significant Accounting Policies

Organization—Get Lit - Words Ignite, Inc. (Get Lit) is a California nonprofit corporation established in 2006 for the purpose of stemming dropout rates and increasing literacy among youth in Los Angeles through the fusion of classic poetry and the spoken word movement. Get Lit places the greatest poets of our time in dialogue with our youth. Through its three major program areas, Get Lit fosters cultural understanding, creative self-expression and performance technique, reaching over 20,000 teens each year. Their program areas include:

The Classic Slam is the largest teen poetry competition in the nation, where students from high schools face off to “slam” poems by classic poets such as Pablo Neruda, Federico Garcia Lorca, Langston Hughes, Emily Dickinson, and Maya Angelou, in combination with their own spoken word responses. Classic Slam is held every spring, in tandem with National Poetry Month in April, for audiences of thousands. Leading writers, actors, and artists volunteer their time as Classic Slam judges, awarding various prizes to the winning teams.

The After-School Programs include: The Get Lit Players, an award winning, professional performance troupe comprised of teenagers from high schools throughout California, selected through a competitive audition process. The Get Lit Players travel across the nation performing both classic and spoken word poetry, inspiring their peers to read, write, be leaders in their communities and participate in the arts. Summer Camps: Get Lit provides low-cost 2-week summer intensives in filmmaking and spoke word writing and performance. Get Lit offers ongoing Saturday Drop-In poetry workshops, free and open to all experience levels, and hold monthly Open Mics. Get Lit’s poetry workshops for Transition-Aged Youth, given in partnership with the Los Angeles County Department of Mental Health, introduce participants to the discipline of writing and guide them in finding their voice.

The In-School Program works in partnership with high schools across the United States to ignite creativity and an authentic love of learning in teens through the memorization, writing and performance of classic and spoken word poetry. In-School is for students 9-19 who are in classes taught by teachers who have been certified in the Get Lit Curriculum and Methodology. Get Lit’s 12-week curriculum is aligned to Common Core Standards for English/Language Arts and Visual & Performing Arts. Get Lit’s one-semester or full-year “Words Ignite” curriculum is approved by the University of California to satisfy “A-G” English and General Elective standards.

Get Lit Media includes the Film Education Program and youth-run original Content Studio. The Film program includes: Pilot I (Intro to Filmmaking), a free 12-week, 3x per year series and Pilot II (Advanced Filmmaking), a free, 12-week, 2x per year intensive culminating in the creation of two short student films. Poetic Screenwriters Lab: A yearlong series for screenwriters-poets to work with established writers. Youth Edit Lab: Training in post-production. The Content Studio youth produce weekly podcasts, original performance videos, and interview programs featuring well-known writers from around the world.

Notes to Financial Statements—Continued

Note 1—Organization and Summary of Significant Accounting Policies—Continued

Financial Statement Presentation—In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Get Lit has adopted ASU No. 2016-14 for the year ended June 30, 2019 and has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Get Lit's net assets are classified based on the existence or absence of donor-imposed restrictions. As such, the net assets of Get Lit and changes therein are presented and reported as follows:

Net assets without donor restrictions—Net assets that are not subject to donor-imposed stipulations and that may be expended for any purpose in performing the primary objectives of Get Lit. These net assets may be used at the discretion of Get Lit's management and the board of directors.

Net assets with donor restrictions—Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; such restrictions that may or will be met either by actions of Get Lit and/or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity. Generally, the donors of such assets permit Get Lit to use all or part of the income earned on related investments for general or specific purposes.

Donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restriction. When a time restriction expires or a purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions.

Measure of Operations—The statement of activities reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of Get Lit's youth poetry and spoken word services; interest and dividends earned on investments, etc. Nonoperating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature; Get Lit did not engage in any reportable nonoperating activities during the years ended June 30, 2019 and 2018.

Income Taxes—Get Lit is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (Code) and from California franchise tax under Section 23701(d) of the California Revenue and Taxation Code. Accordingly, no provision for federal or state income taxes is included in the financial statements.

Accounting standards require an organization to evaluate its tax positions and provide for a liability for any positions that would not be considered 'more likely than not' to be upheld under a tax authority examination. Management has evaluated its tax positions and has concluded that a provision for a tax liability is not necessary at June 30, 2019 and 2018. Generally, Get Lit's information returns remain open for examination for a period of three (federal) or four (state of California) years from the date of filing.

Notes to Financial Statements—Continued

Note 1—Organization and Summary of Significant Accounting Policies—Continued

Equipment—Depreciable assets are recorded at historical cost or fair market value at date of donation and are depreciated using the straight-line method over their useful lives, ranging from three to seven years. It is Get Lit's policy to expense items under \$2,500.

Concentrations of Credit Risk—Financial instruments which potentially subject Get Lit to concentrations of credit risk consist of cash and cash equivalents, contributions receivable, and accounts receivable. Get Lit places its cash and cash equivalents with high credit quality financial institutions where the funds are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per institution. At times, such cash and cash equivalent balances are in excess of the FDIC insurance limits. Management regularly reviews the financial stability of its cash depositories and deems the risk of loss due to these concentrations to be minimal. Contributions receivable consist of balances from foundations and individuals. Accounts receivable are principally with government agencies and local schools. It is management's opinion that the contributions receivable and accounts receivable are fully collectible and, as a result, an allowance for doubtful accounts was not considered necessary at June 30, 2019 and 2018.

Revenue Recognition—Get Lit's revenue recognition policies are as follows:

Government agencies—Grant revenues from government agencies are reported as increases in unrestricted net assets as allowable expenditures under such agreements are incurred. The amounts expended in excess of reimbursements are reported as grants receivable. Amounts received in excess of amounts expended are recorded as deferred revenue.

Fundraising event income—Fundraising event income is recognized when such income is received.

Program activity fees—Get Lit recognizes program activity fees as revenue when the fees are earned.

Functional Expenses—The costs of providing the various program and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated between youth poetry and spoken word services and supporting services benefitted. Such allocations are determined by management on an equitable basis. Estimates of time and effort were used as the basis of allocation for the following expenses: salaries, payroll taxes, employee benefits, depreciation, insurance, miscellaneous expenses, rent, outside services, postage and printing, and supplies.

In-Kind Contributions—All in-kind contributions are valued at their estimated fair market value at the date of the gift.

Statement of Cash Flows—For the statement of cash flows, Get Lit defines cash and cash equivalents to be cash on hand and short-term, highly liquid investments with maturities of three months or less.

Estimates—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that can affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Comparative Totals for 2018—The accompanying financial statements include certain prior-year summarized comparative financial information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with Get Lit's audited financial statements for the year ended June 30, 2018, from which the summarized information was derived.

Reclassifications—Certain amounts in 2018 have been reclassified to conform with the 2019 financial statement presentation.

Grants require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions could result in the return of the funds to the grantors. Although that is a possibility, the Board of Directors (Board) deems the contingency remote since, by accepting the gifts and their terms, the Board is acknowledging the requirements of the grantor at the time of receipt of the grant.

Note 8—Recent Accounting Pronouncements

Leases—In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which requires organizations that lease assets (lessees) to recognize the assets and related liabilities for the rights and obligations created by the leases on the statement of financial position for leases with terms exceeding 12 months. ASU No. 2016-02 defines a lease as a contract or part of a contract that conveys the right to control the use of identified assets for a period of time in exchange for consideration. The lessee in a lease will be required to initially measure the right-of-use asset and the lease liability at the present value of the remaining lease payments, as well as capitalize initial direct costs as part of the right-of-use asset. ASU No. 2016-02 is effective for nonprofit organizations with fiscal years beginning after December 15, 2020, with early adoption permitted. Get Lit is currently evaluating the impact that the adoption of ASU No.2016-02 will have on its financial statements.

Revenue Recognition—In May 2014, FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which supersedes most of the current revenue recognition requirements. The underlying principle is that an entity will recognize revenue to depict the transfer of goods or services to customers at an amount that the entity expects to be entitled to in exchange for those goods or services. The guidance provides a five-step analysis of transactions to determine when and how revenue is recognized. Other major provisions include capitalization of certain contract costs, consideration of time value of money in the transaction price and allowing estimates of variable consideration to be recognized before contingencies are resolved in certain circumstances. The guidance also requires enhanced disclosures regarding the nature, amount, timing, and uncertainty of revenue and cash flows arising from an entity's contracts with customers. ASU No. 2014-09 is effective for fiscal years beginning after December 15, 2019; with early adoption permitted. Get Lit is currently evaluating the impact that the adoption of ASU No. 2014-09 will have on its financial statements.

Contributions—In June 2018, FASB issued ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. ASU No. 2018-08 clarifies and improves the scope of the accounting guidance for contributions received and contributions made. The clarifications and improved scope assist entities in 1) evaluating whether transactions should be accounted for as contributions (nonreciprocal) or as exchange (reciprocal) transactions, and 2) determining whether a contribution is conditional. The clarified guidance applies to all entities that receive or make contributions (grants). No new disclosures are required. ASU No. 2018-08 is effective for resource recipients with fiscal years beginning after December 15, 2018, and for resource providers with fiscal years beginning after December 15, 2019; early adoption is permitted. Get Lit is currently evaluating the impact that the adoption of ASU No. 2018-08 will have on its financial statements.

Note 9—Subsequent Events

On March 10, 2020, the World Health Organization declared the coronavirus to be a pandemic. Since then, business continuity, including supply chains and consumer demand across a broad range of industries and countries, has been, and continues to be, severely impacted as governments and their citizens take significant and unprecedented measures to mitigate the consequences of the pandemic. Get Lit is continuing to conduct its youth poetry and spoken word services activities, on a remote basis, and to monitor the ongoing impact of the pandemic response on its overall operations. At the time of this reporting, the cumulative financial impact of the pandemic on Get Lit cannot be fully determined, therefore no related adjustments have been made to these financial statements.

On May 7, 2020, Get Lit received a Paycheck Protection Program (PPP) advance of \$99,896 granted by the Small Business Administration under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Under the program terms, PPP advances are forgiven and recognized as grant revenue if the proceeds are used to maintain compensation costs and employee headcount, and other qualifying expenses (mortgage interest, rent and utilities) incurred following receipt of the advance. Get Lit intends to use the advance proceeds for purposes consistent with the PPP in order to ensure the full balance is forgiven.

Management has evaluated all activities of Get Lit - Words Ignite, Inc. through December 21, 2020, which is the date the financial statements were available to be issued, and concluded that, other than, as described above, the operational changes made by Get Lit in response to the global pandemic and receipt of the PPP advance, no other material subsequent events have occurred that would require adjustment to the financial statements or disclosure in the notes to the financial statements.
