### **PETITION FOR RECALL**

TO THE HONORABLE DIRECTOR OF ELECTIONS,

Pursuant to the California Constitution, California Elections Code, and the San Francisco Charter, we the undersigned registered and qualified voters of the City and County of San Francisco, respectfully state that we seek the recall and removal from the office of Member of the San Francisco Unified School District Board of Education in the City and County of San Francisco. The Mayor shall appoint a successor.

The following Notice of Intention to Circulate Recall Petition was served on March 9, 2021 to The Honorable Gabriela López: TO THE HONORABLE GABRIELA LOPEZ: Pursuant to Section 11020 of the California Elections Code and Section 14.103 of the San Francisco Charter, the undersigned registered qualified voters of the City and County of San Francisco, California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Member of the San Francisco Unified School District Board of Education, and to request that the Mayor fill the resulting vacancy and nominate the successor to this office. The grounds for the recall are as follows: She has been a negligent, ineffective Board of Education Member, who failed to do her job, which is to prioritize our children's education; has mismanaged the District's finances, including not following the Brown Act and other laws, which invites lawsuits that are a waste of money and resources; has failed to prioritize or develop plans for school re-opening; has not provided adequate opportunities for parents and community members to share their concerns on issues including school renaming, school re-opening, and Lowell admissions changes; has failed students with special needs; and has made it more difficult for students from under-privileged backgrounds to obtain a good education, further widening the inequality that exists in our society. The names of the proponents (business or residence addresses are on file with the elections official) are as follows: Autumn Looijen, Lily Ho, Maria L. Delao, Stephen Lemmer, Laurance Lee, Kristi Kennedy, Paulina Fayer, James Riseman, Lora Libby, Suzanne Kirkham, Sandra Ospina, Laura Hossain, Michael J. The answer of the officer sought to be recalled is as follows: I am the first Pacific Islander ever elected to office in San Francisco, giving my marginalized community a voice in local government for the first time. During my two years on the Board, I authored substantive legislation that will increase teacher retention through the construction of teacher housing. I also authored legislation regarding transportation and Medi-Cal services that will save San Francisco Unified School District over 20 million dollars and improve services to students and families tremendously. COVID-19 has created a volatile situation, exposing aging structures as unhealthy work environments, and causing fiscal difficulty. Through painstaking planning we addressed the facilities challenges, and with the development of vaccines and federal stimulus dollars SFUSD will emerge from this pandemic on solid footing. The Board of Education adheres to all legal requirements regarding giving the public notice and opportunity to speak on all matters before the Board. While I have been a Commissioner, the Board has not deviated from these requirements. I am a proud graduate of Balboa High School who is focused on doing substantive work to improve our public schools. I respectfully ask you to reject this recall. Faauga Moliga, Commissioner of San Francisco School Board, 382 Victoria Street, San Francisco, CA 94132.
