

## Katie Driver

Katie is a qualified coach, trainer and facilitator who brings over a decade's experience designing and delivering learning. Known for creating calm, safe spaces for people to think deeply, Katie helps people and teams achieve the clarity and courage to make better choices about how they live, work and lead.

Katie draws on over 20 years' experience working in the UK Civil Service in policy and advisory roles, including directly supporting government Ministers. As a Senior Civil Servant, she dealt with initiatives such as professionalising policy-making in the civil service, and developing and delivering the Equality Act 2010.

Katie is also vice-Chair of Governors at a large Further Education Colleges Group.

## Experience

**Leading teams** – led teams and stakeholder partners delivering a variety of employment and education policy initiatives. Line management responsibilities for over 20 years, including multi-site teams with varied working patterns.

**Diversity and inclusion** – Coordinated UK Department for Education contribution to the Equality Act 2010 and then worked across the Department & with equality partners to secure stronger equality impact assessments for education policies.

**Learning and development** – designing and delivering learning programmes to develop strategic thinking skills and improve communications. Leading Action Learning Sets to support reflective learning and deeper change.
