

Design Intern | Summer 2022 Internship

Spectacle, a fast-growing brand strategy agency founded in 2017, is looking to expand our team in 2022 with a Design Intern. In this role, you will be supporting our team across multiple client engagements and on internal agency initiatives.

At Spectacle, we work with purposeful brands who are making an impact, from growth-stage startups disrupting the game to some of the largest brands looking to get their swagger back. As an intern, you'll be able to hone your design skills with the support of a close-knit, all-star team and work with fantastic clients across a variety of industries, including CPG, food/beverage, and technology.

Every day will be different, giving you the opportunity to work on a wide range of projects — from designing cutting-edge branding and custom swag, to building engaging websites — and learn from designers, strategists, and copywriters.

Who You Are

You're a junior or senior in college who shares our passion for branding and is eager to contribute and learn from the team. You consider yourself a strategic creative thinker and embody what we like to call a "Growth Mindset," eager to break new ground, create opportunities for others, and identify new ideas to bring to the organization as a whole.

Qualifications

- Proficient in the Adobe Creative Suite (Illustrator, Photoshop, InDesign), Figma, and PowerPoint
- Top-notch typography skills — you know your hyphens from your em dashes and kerning is second nature to you
- Excellent verbal and written communication skills — able to articulate your design thinking and show up with polish in client-facing settings
- Proactive and comfortable with ambiguity
- Strong time-management skills, with the ability to juggle multiple projects
- High attention to detail
- Proficiency in AfterEffects or Webflow is a bonus

You'll Have a Chance to

- Roll up your sleeves and become an integral part of the Spectacle team
- Gain experience in a fast-paced startup environment
- Help evolve the Spectacle brand and design some cool swag
- Work with young entrepreneurs and have fun while you do it

Requirements

- Able to work from our Austin, TX office 50% of the time (we're in-person 3 days a week, but that could change due to COVID-19)
- Able to work anywhere from 15 to 25 hours a week
- An online or PDF portfolio with relevant work
- Are a senior or junior studying graphic design, communications design, or a similar field
- Must be eligible to work in the United States
