## RECAP AND REFLECTIONS

### QUOTES FROM OUR MONDAY MUSER, LIBBY LARSEN

"I am a living American composer, and what I do is make a shape of sound in time and space in order to communicate what it is like to be alive . . . I've always had a deep need to celebrate [being alive] with a trumpet, or a viola, or a flute, or a guitar."

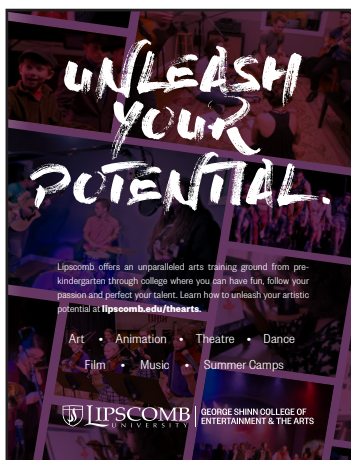

"Why we really study the arts is that it helps us to become fully aware of ourselves and those who we inhabit the earth with."
