RECAP AND REFLECTIONS

QUOTES FROM WEDNESDAY

"Do what you can with what you've got to work with—the best that you can, however you can, whenever you can and for as long as you can. They say good things come to those who wait, but they can also pass you by. I live by that old saying 'enough is as good as a feast.'" – THE CARPETBAG THEATRE

"There is no one more worthwhile, or magical, or inspirational [than teachers of the arts]. My main thank you is to all of you for what you do to inspire."
– TONY WALTON

"Arts teachers do what they do because they love the students that they teach, and they want to give them every opportunity possible to express themselves through their art form." – FRANK BLUESTEIN
