

PLATFORM SCIENCE MEDIA MANAGER

Keep your fleet's files in one place with Platform Science Media Manager, a smart dashboard with easy access to training guides, safety documents, company updates, and all the content drivers need to stay in the know.

SIMPLIFIED CONTENT SHARING:

Easily share training videos, important documentation, annual reminders, and more through Media Manager's user-friendly portal.

SUPPORT FOR MAJOR FILE TYPES:

Upload and send common media types such as PDF, PNG, MP4, and MP3.

FILE TARGETING:

Ensure the right people get the right media by sending files to all your drivers or selecting specific groups to target.

VIEWED MEDIA TRACKING:

Know what's been seen and who's seen it to make sure your important communications are viewed in a timely manner.

Connect with us to see PS Media Manager in action and learn how your fleet can stay safe and compliant on the road ahead.
